GRACE COMMUNITY SCHOOL
Enrollment Provisions Agreement

In this enrollment agreement between Grace Community School, a ministry of Grace Community Church, and the parents or guardians of the students listed herein, we hereby apply to enroll these students for the academic year stated with the following agreements and understandings:

1. We understand that Grace Community School is an integral and inseparable ministry of Grace Community Church, which is the sole governing authority of Grace Community School.

2. We understand that as an integral part of the Christian Education program of Grace Community School, the teachers will teach my child according to the Statement of Faith of Grace Community Church. This teaching will take place not only in Bible but in all other classes, including chapel. We understand that Grace Community School believes that this teaching is the truth about God, the Bible and mankind.

3. We understand that attending Grace Community School is a privilege, not a right. Accordingly, my child may be disciplined, up to and including suspension or dismissal from Grace Community School for just cause, as determined at the sole discretion of the Administration and Elders of Grace Community Church.

4. We understand that, consistent with Grace Community School's philosophy and mission statement, Grace Community School's goal is to provide every Grace Community School student a Christ-centered education. However, it is primarily our responsibility to educate our child. Accordingly, we agree to require our child to perform all duties and responsibilities given to him or her by his or her instructors at Grace Community School.

5. We understand and agree that this enrollment agreement is the sole agreement between ourselves and Grace Community School. Accordingly, if any provision is later to be found legally void or voidable, such will not affect the validity of any other provision, and that both parties agree to remain bound by all other provisions.

6. We understand and agree that any and all terms used in this enrollment agreement and all other Grace Community School documents are to be applied as interpreted solely by the Elders of Grace Community Church. Accordingly, any disagreement as to the meaning or application of any term contained in this enrollment agreement or other Grace Community School documents is to be resolved in favor of Grace Community School.

7. We hereby invest authority in Grace Community School to discipline our child as described in the school handbook. We further agree that we will cooperate and discipline our child in the home as needed.

8. We pledge our fullest cooperation to keep doctrinal controversy and denominationalism out of Grace Community School at all times. (Romans 13:8-12; I Corinthians 12:12-14; Ephesians 4:1-7)

9. Should there be a question about or disagreement with Grace Community School policies or procedures, we will in no case complain to any parent, will instead, register only necessary complaints with the teacher, principal, administrator, or Elders of Grace Community Church, as appropriate. If we reach a point of disagreement on an issue of a non-criminal nature with Grace Community School or Grace Community Church, in keeping with I Corinthians 6:1, we agree to accept the decision of the Elders of Grace Community Church as final. Rather than taking the dispute to a civil court, we waive any right to non-criminal litigation.

10. We understand that assessments will be made to cover damage to Grace Community School's property (including breakage of windows, abuse or loss of books, etc.).

Continued on other side.

11. We agree to accept the policy of Grace Community School that no grades or transcripts will be released unless a student's financial account is current.

12. We agree to faithfully attend Parent-Teacher and all other school/class meetings.

13. We understand and agree that this enrollment agreement does not bind either party to a specific period of enrollment; either party may terminate this enrollment agreement without cause upon ten (10) days written notice.

Grace Community School admits students of any race, color, or national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to any students of Grace Community School. Grace Community School does not discriminate on the basis of race, color, or national or ethnic origin in administration of its educational policies, recruiting, hiring, reviewing and promoting of staff, admissions policies, scholarship and loan programs and athletic and other school-administered policies.

We have read the commitments set forth in the Enrollment Provisions Agreement and understand and agree to them if our child(ren) is (are) accepted. We the undersigned have full legal custody of the following student(s). We waive any right to civil litigation regarding any dispute with Grace Community Church and/or Grace Community School and agree to accept the Elders' decision as final in all such matters.
